

**Laser Scanner Holder**

1650 Dove Court Marietta, Georgia 30064 Phone: 770.499.9420 Fax: 770.499.9423 www.jlcsolutions.biz

**JLC Solutions is proud to announce our new “wrap-around” scanner holder for midsize laser scanners.**

**This holder is designed to protect the scanner gun and sensitive laser optics from falls and the lens from scratches. Our unique “wrap-around” design will prevent the scanner from falling or bouncing out even over the roughest surfaces.**

**Made of durable, lightweight ABS plastic, the *JLC Solutions* scanner holder will withstand years of rugged industrial use and its rounded and beveled edges make it easy and safe to use.**

**It is designed to be placed on all types of material handling equipment or in any fixed mount position. The holder comes complete with a multi-position mounting bracket.**
